MEMORANDUM

SUBJECT: United Technologies Corporation, Keokuk, Iowa
EPA ID Number IAD984589085
Schlegel Corporation, Keokuk, Iowa
EPA ID Number IAD005136023

FROM: Michael J. Sanderson
Chief, RCRA Branch

TO: Steve Heare, Chief
Compliance and Implementation Branch (OS-520)

Background Information

On June 11, 1991, we sent a draft Resource Conservation and Recovery Act (RCRA) Section 3008(h) Corrective Action Consent Order to United Technologies Corporation (UT) and Schlegel Corporation (SC). Since July 12, 1991, we have been trying to negotiate a Consensual RCRA Section 3008(h) Corrective Action Order with the subject facilities. However, to date these facilities and Environmental Protection Agency (EPA) Region VII have been unable to reach an agreement on the terms of the order.

Purpose/Request

Since EPA Region VII and the subject facilities have failed to reach an agreement on the terms of the Order, we would like to issue the enclosed unilateral RCRA Section 3008(h) Corrective Action Order to the subject facilities by September 30, 1991. Therefore, we request that you expedite your review of the enclosed Order. Due to the limited time, we ask that you fax your approval or comments to us. Our fax number is (913) 551-7521. A copy of the administrative records for this case is also enclosed for your information and to assist you in your review.

If you have any questions or require additional information, please contact either Ms. Tran Tran (RCRA Compliance Officer) or Mr. Douglas Walther (Assistant Regional Counsel) at FTS 276-7884 or FTS 276-7735, respectively.

Thank you for your assistance in this matter.
